The Nurse

That cap the nurse on duty wears
Is costlier than the bonnets gay
Worn by the wives of millionaires
Regardless of the price they pay
'Tis something she herself can make,
A bit of linen, trimmed and turned
The right to it (for mercy's sake)
Was with three years of training earned.

That uniform of spotless white
Was costlier than a lady's gown
'Twas bought with care by day and night
For those with illness striken down.
The royal robes show royal birth
But every nurse's simple pin
Is emblematic of her worth
A symbol she has toiled to win.

Oh gracious spirit, love imbued,
That can such tender care accord,
Perhaps it is, that gratitude
Must always be your best award.
Now out of gratitude appears
This tribute done in simple verse
Unto the dedicated years
Of all who choose to be a nurse.

Dedication . . .

We the graduating class of 1961 dedicate to you, Mrs. Doris Parsonnet, our yearbook. We believe that it was you who really influenced us as to the importance of the nurse-patient relationship. Although we worked very hard on your floor, we realize now how important it was for you to guide us with a firm hand. Time and again you proved that you were sincerely interested in us—your students. We express our humble appreciation to you for giving so much of yourself, in helping to mold us into the nurses we have now become.

In Memorium

William Levison, M.D.

We the students of the Newark Beth Israel Hospital School of Nursing recall with sadness the passing of our beloved Dr. William Levison on April 4, 1961. It is with our deepest respect and devotion that we dedicate this page to his memory.

We shall always remember the eagerness with which he taught us. He created a desire within us to go in search of knowledge, truth and learning. He was a source of inspiration and encouragement.

In his mirror of life is reflected his sincere love for his fellow man, his kindness and sympathy for his patients, the admiration of his colleagues, and the warm friendly smile for "his girls" as he so often called us. All of us who knew and loved him shall always hold his memory dear to our hearts.

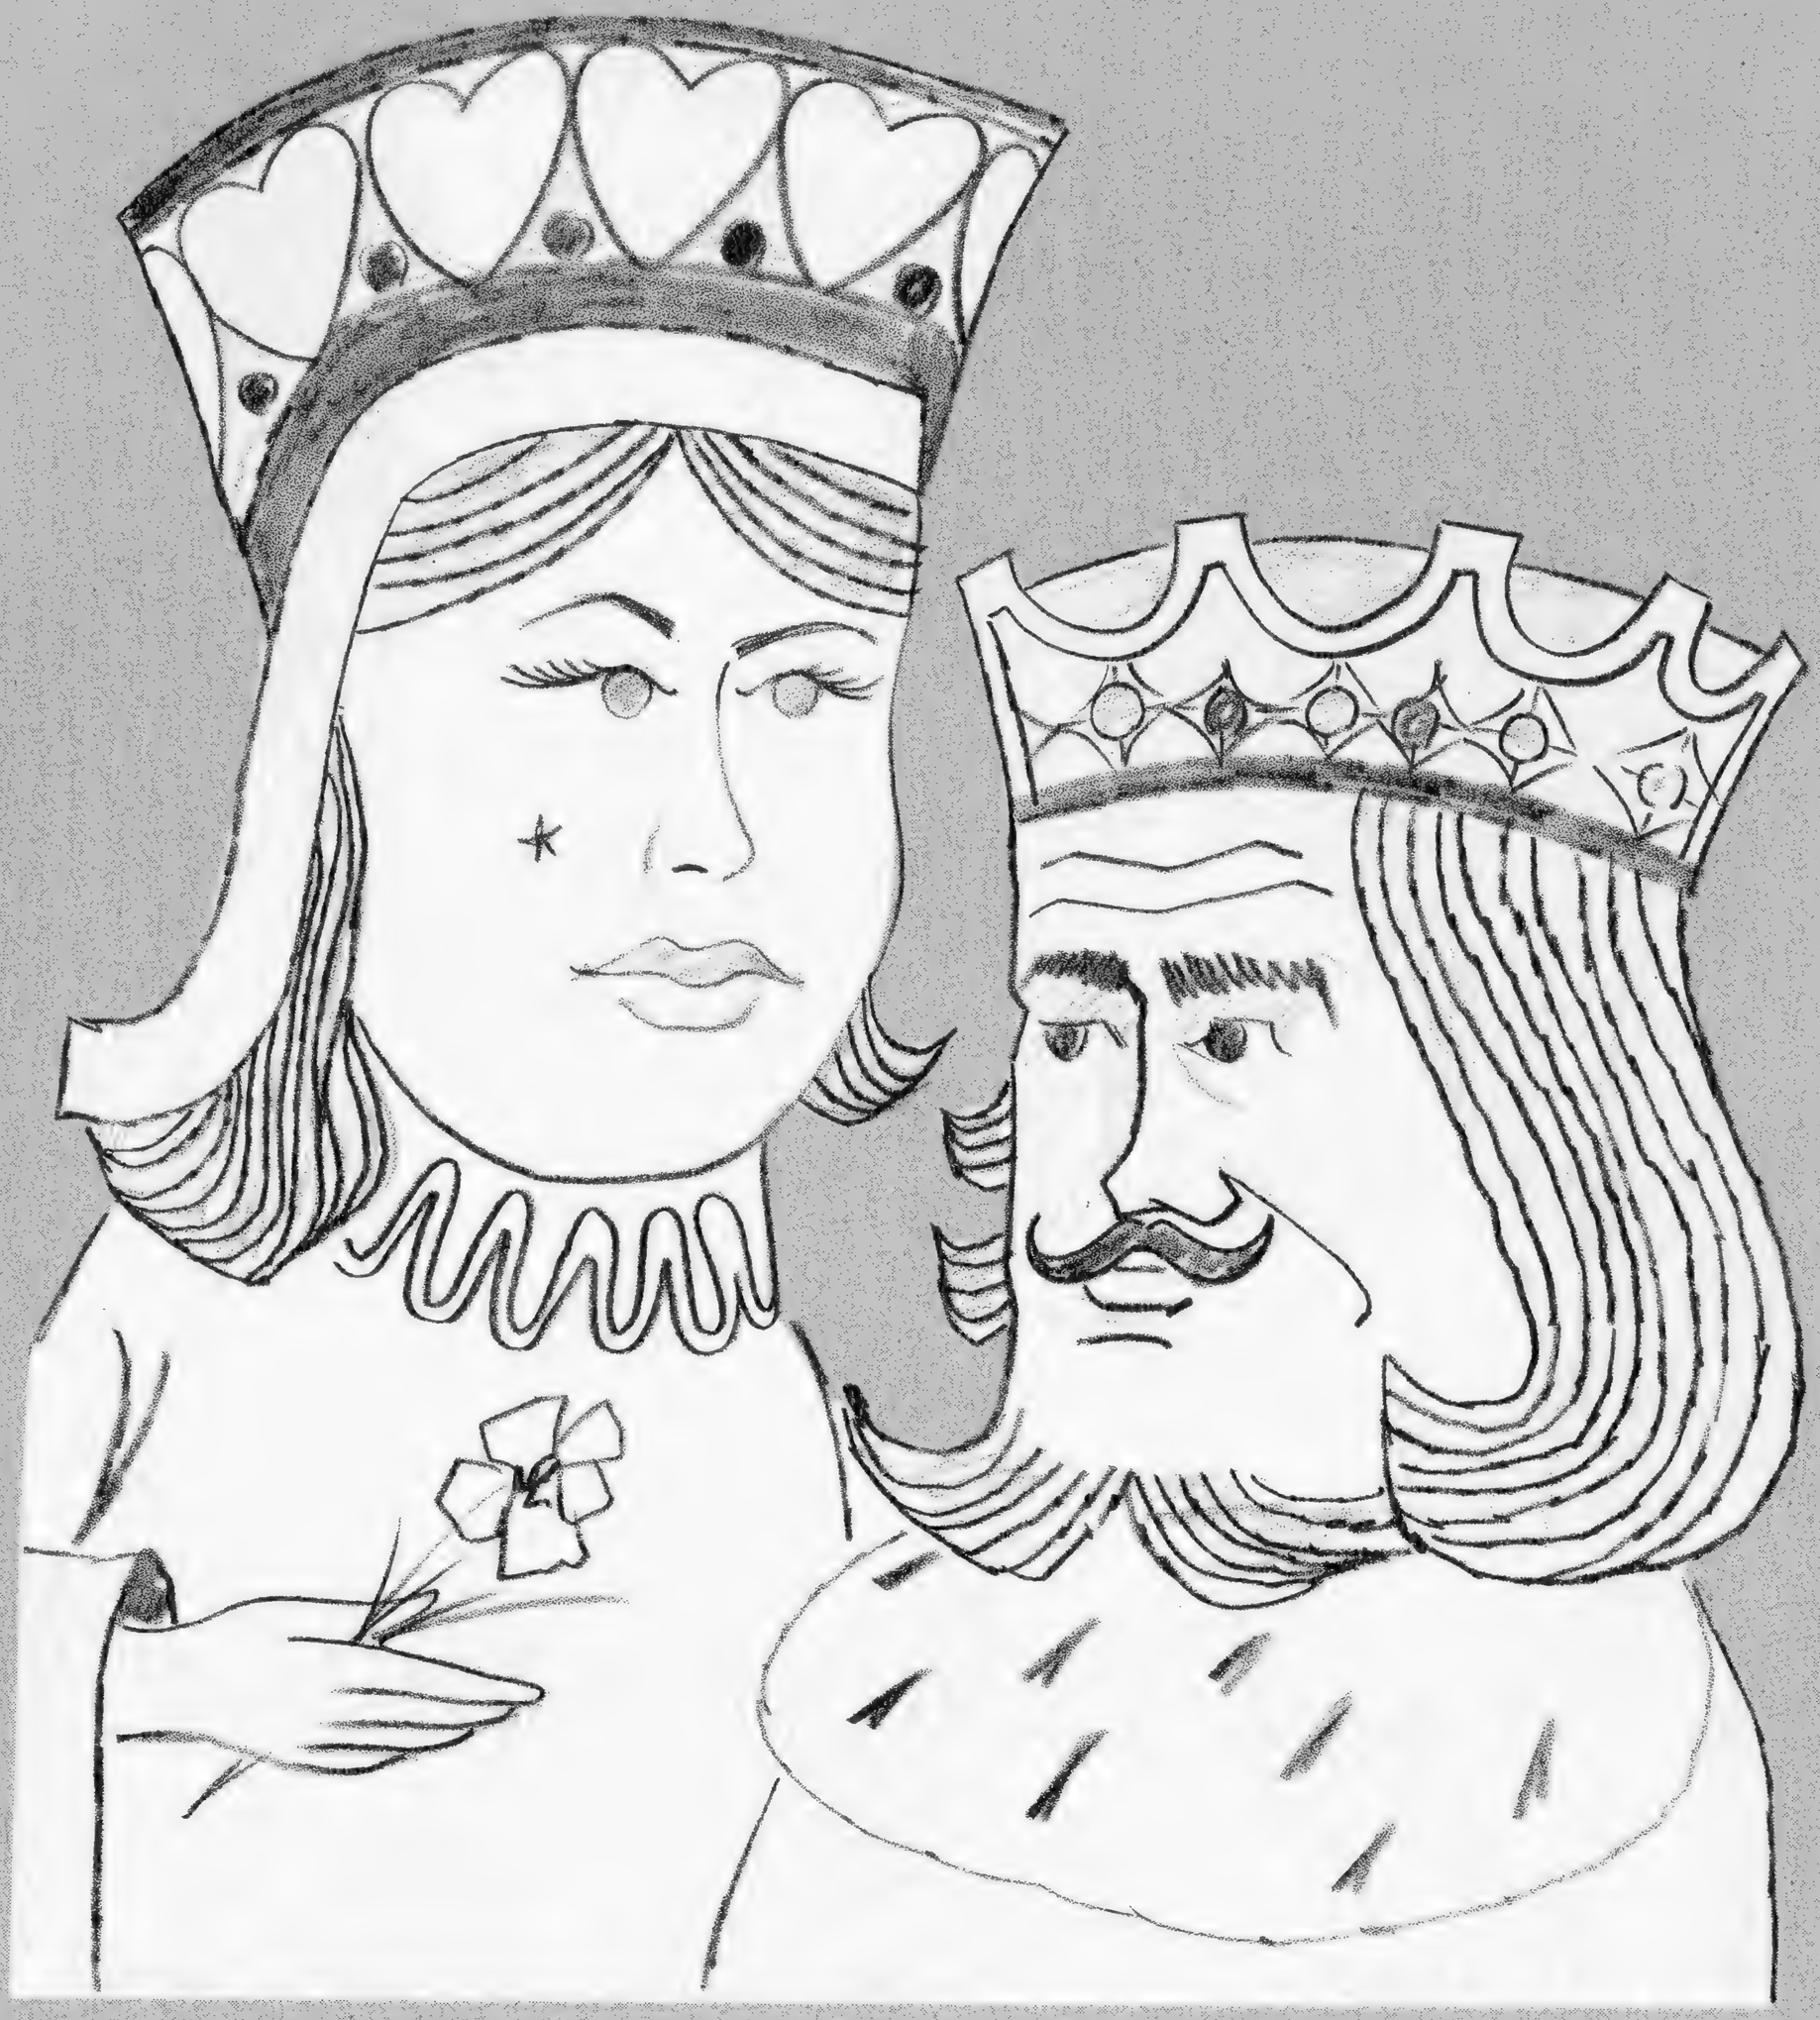
The King and Queen of Hearts



Dear Mom and Dad,

We leave this page as a thank you; a thank you for being there when we needed you most. You shared a little laughter and a lot of tears, and kept our sparks nourished. Remember Capping? And how many times did we pack to come home? You lived each moment with us and we know and appreciate it.

Just as you stand full of pride for us, so we too have a heart full of pride for you. Yes, we made it together, and so we say thank you; thank you and God bless you.

With all our love,

Your daughters

Nancy Egger, R.N.

With Sincere Thanks

We the Alices of Newark Beth Israel Hospital School of Nursing would like to thank you Mrs. Nancy Egger for your understanding and guiding hand. Without your help ours would not be the wonderland that it is.

...and Appreciation

We would like to extend our thanks to the Women's Auxiliary of Newark Beth Israel Hospital, and the Alumnae Association of the Newark Beth Israel Hospital School of Nursing. You have given us so much, it would be impossible to enumerate all the things you have done. Educational opportunities and our cultural scope as well as recreational opportunities have been a valuable part of your contribution. Your enthusiasm and interest in all facets of our growth has known no limits.

Into The

"Let the Looking Glass creatures whatever they be . . .
Come and dine with the Red Queen, the White Queen and Me."

Class History

Once upon a time, in 1958, we the many Alices from near and far gathered in the wonderland of Newark Beth Israel Hospital School of Nursing, all with the dream in our hearts of becoming professional nurses. The strangeness seemed to fade after a week of orientation, parties, the annual picnic, and becoming acquainted with our new classmates. The following months brought seasonal festivities including a Christmas dinner and variety show. Remember Audrey's pantomime, and Sandy's violin solo?

Soon after, the chemistry lab was the scene of a scintillating new method, by Ramona and Elaine, to prepare oxygen resulting in an explosion.

This excitement had nearly diminished when it was renewed by the thrilling blue candlelight ceremony of capping, followed by the class song. How we had to practice for that!

And who will ever forget the first snowfall and all that resulted. Ellen surely had a closet full!

Fran, Kay, and Marilyn will always remember the attempted D and C in Nursing Arts Lab.

Ilana led our first Passover Seder at Beth.

Freshman classes finally came to an end in anticipation of a long awaited vacation!

Rabbit's Hole

Junior year (the pool of tears) was highlighted with blue bands, little sisters, and a Halloween party. Will we ever forget our class motto, "SUFFER," and the signs on all the doors. Maryann became official "turkey carver" at our Thanksgiving dinner.

Separated by specialties for the first time—Operating Room, Pediatrics, Obstetrics, and Greystone; and Essie's accounting for "missing powder." The months were filled with dances, concerts, newspaper, and art club activities. Betty carried on an interesting overseas correspondence.

With our newly acquired black bands, we watched with pride as our "big sisters" received their diplomas and Barbara presented the student organization scholarship.

Our final year saw Roxanne's "new look" and Dotty with her candid camera always there. We can still see Ethel trudging through the snow during Public Health.

Weekends for Esther came few and far between and Gail was buried beneath piles and stacks of envelopes.

Sarah was the student mannequin in Obstetrics and Jackie was unanimously voted "Miss Clinic."

After more than a year, senior classes reunited long-separated Alices.

The last and most memorable social event shared by our class was the Annual "Tiara Ball" held in our honor by the ever supporting Women's Auxiliary, truly our "Wonderland by Night."

Early one September morning as we donned our student uniforms for the last time, we felt a special warmth, for tomorrow we would be dressed in the spotless white uniforms and caps adorned with graduate bands.

And how we remember the caps and pins, the tears and mixed emotions of being graduated!

It was the studies and the hard work that brought our dream to reality. But it was these small happenings in our wonderland that made it seem like magic.

"Mushrooms and wonderlands are good;
Knowledge and truth are better."

The Jabberwocky

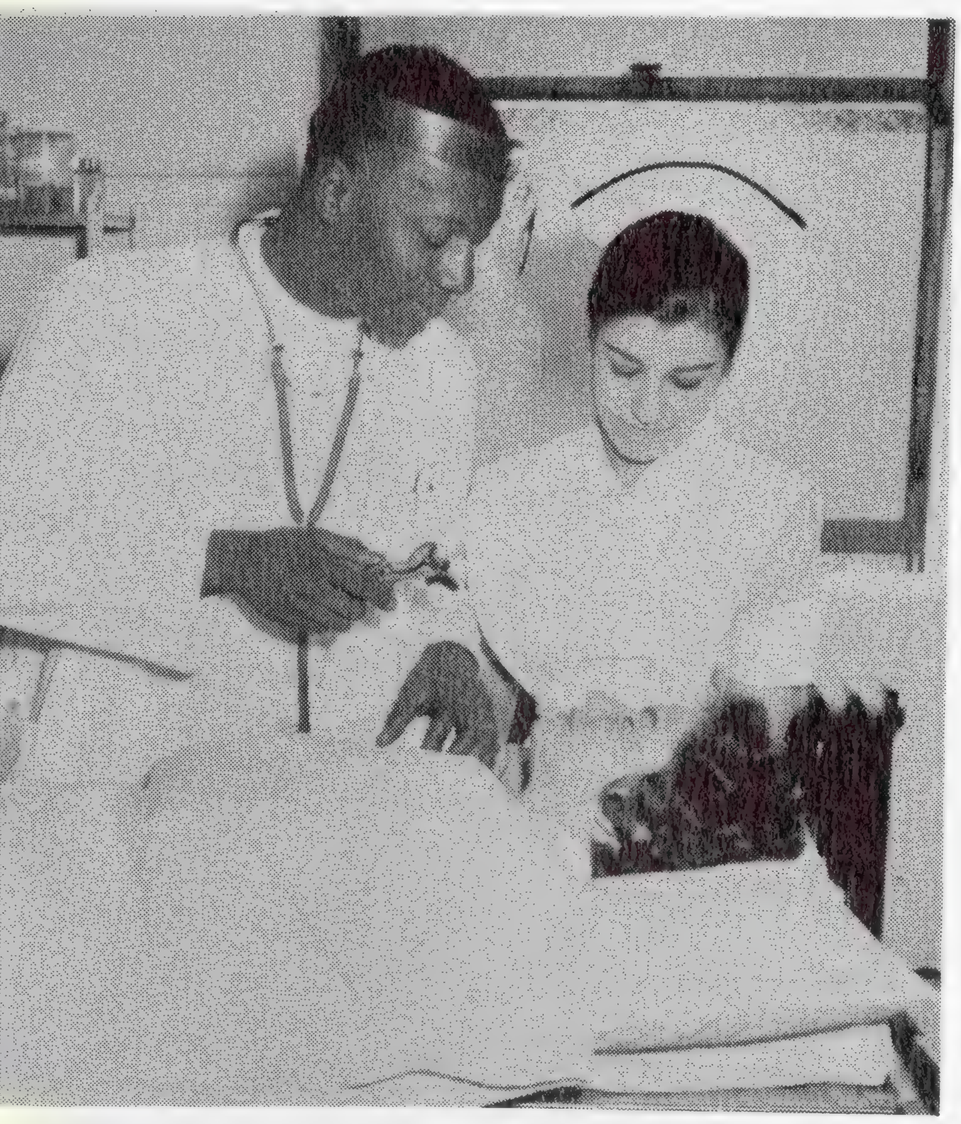
Misses Jacqueline Rose, Ethel Boeck, and Audrey Zweig. What a pleasure to share the first few days of life with the arrivals in the newborn nursery.

Dr. Mohamed Ali Madani and Miss Roxanne Vallaster. Experience in the Operating Room has enabled to meet the needs of patients with surgical conditions.

Misses Dorothy Anderson and Elizabeth Rodgers. On our Pediatric unit we found that playtime is just as important a part of their therapy as their nursing care.

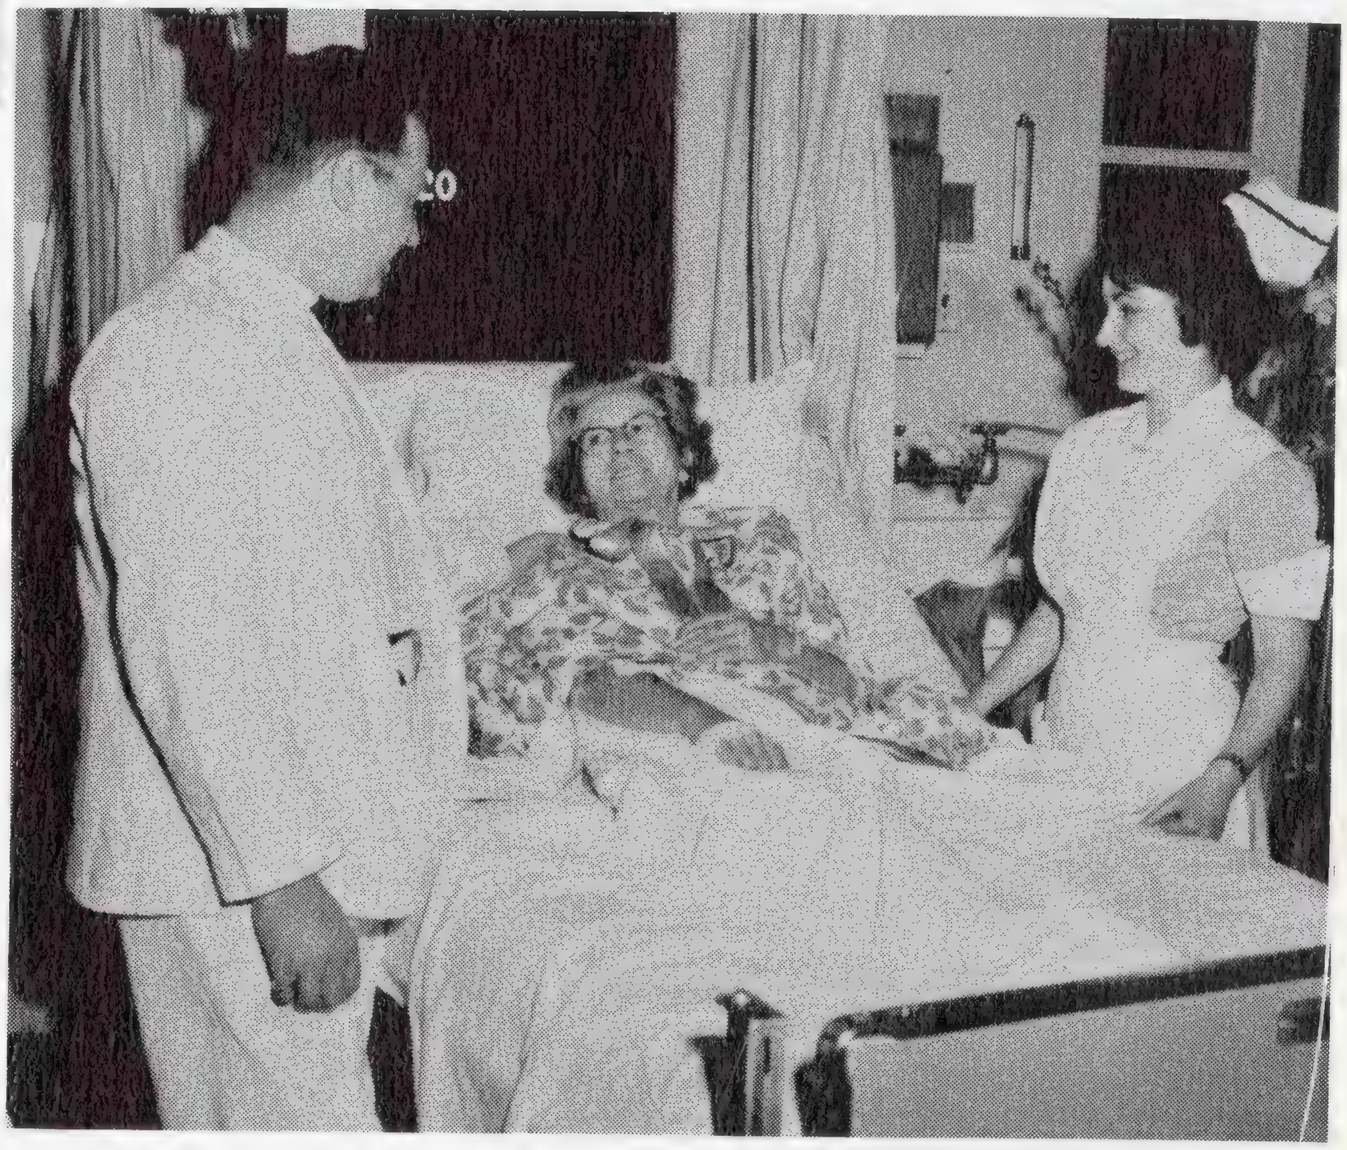
"He took his vorpal sword in hand;
Long time the manxome foe he sought—
So rested he by the Tum tum tree,
And stood a while in thought."

Misses Ramona Permut and Maryann D'Elia.
Teamwork in action.



Dr. Asa Crews and Miss Francine Schmidt.
r emergency room training has prepared us to meet
ny situations.

Misses Ilana Tropp and Karen Grauer.
In premature nursery we learned how to delicately care for these tiny ones.



Dr. Maxwell Klausner and Miss Esther Bauman.
We now feel more capable caring for patients with medical conditions.
